

ABOUT IDAHO® POTATOES

COUNT SIZES

The following chart indicates the most popular russet count sizes, the number of potatoes per carton, the maximum size range, and the sizes that most of the potatoes in each carton will be. Each carton contains 50 pounds of potatoes.

Note: If you need cartons containing a narrower range of sizes, check with your Idaho® potato supplier.

CARTON SIZE	POTATOES PER CARTON	RUSSET POTATO SIZE (OUNCES)																	
		4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19		
120-count	114-126																		
110-count	105-116																		
100-count	95-105																		
90-count	86-95																		
80-count	76-84																		
70-count	67-74																		
60-count	57-63																		
50-count	48-53																		
40-count	38-42
